

DECORATED MILITARY VETERAN / STRATEGIC TECHNOLOGY & INFORMATION SECURITY EXPERT

ABOUT MIKE McCARTHY

Chief Technology Officer of SAFE Credit Union, Mike McCarthy, has spearheaded enterprise-level improvements, digital strategy, systems modernization, cybersecurity controls, and cost-effective IT capabilities. Mike's efforts have positioned SAFE Credit Union as a forerunner in technology innovation and customer satisfaction. Leveraging expertise in networking, information security, cloud, IT governance, data center operations, and cost control, he has created business advantages from systems and network engineering, hardware, disaster recovery, vendor management and negotiations, communications, technical integration, and other initiatives. He is frequently sought to guide executive decisions of impact to a growing customer and employee population, pandemic and remote operations, diversity initiatives, and risk mitigation. In addition, Mike sits on the Technical Integration Review Board, Pandemic Committee, and is a key advisor to Board and executive team leaders.

Having honorably served in the U.S. Army and National Guard, Mike brings the experience he gained there in network, security, and Intelligence to his current work in cybersecurity and information technology at SAFE. When not at work, he loves spending time with his wife and two children, as well as playing sports, including curling!
